Tom and Jerry in Fists of Furry for PC: A Fun and Classic Fighting Game

If you are a fan of the iconic cartoon duo Tom and Jerry, you will love playing Tom and Jerry in Fists of Furry for PC. This game is a 3D fighting game that features Tom, Jerry, and other characters from the show as playable fighters. You can choose your favorite character and battle it out with your friends or the computer in various stages inspired by the cartoon.  Tom and Jerry in Fists of Furry for PC was released in 2002 by NewKidCo and Ubi Soft. It is based on the Nintendo 64 version of the game, which was released in 2000. The game received mixed reviews from critics, but it was praised for its faithful adaptation of the cartoon's humor and style. The game is suitable for all ages and can be played by up to four players at once.

How to Play Tom and Jerry in Fists of Furry for PC

The gameplay of Tom and Jerry in Fists of Furry for PC is simple and intuitive. You can use the keyboard or a gamepad to control your character. The game has two modes: single-player and multiplayer. In single-player mode, you can choose from eight characters: Tom, Jerry, Spike, Tyke, Butch, Duckling, Nibbles, or Eagle. You can also unlock two secret characters: Lion and Monster Jerry. You have to fight your way through nine stages, each with a different opponent and setting. The stages include the kitchen, the living room, the garden, the attic, and more. In multiplayer mode, you can play with up to four players on the same PC or online. You can choose from any of the ten characters and any of the nine stages. The game also has a tournament mode, where you can compete with other players in a series of matches. The game has a variety of weapons and items that you can use to attack your opponents or defend yourself. You can pick up objects such as frying pans, hammers, pillows, cheese, bombs, firecrackers, and more. You can also use environmental hazards such as stoves, faucets, fans, lamps, and windows to your advantage.

Why You Should Play Tom and Jerry in Fists of Furry for PC

Tom and Jerry in Fists of Furry for PC is a fun and classic fighting game that will appeal to fans of the cartoon and anyone who enjoys a good brawl. The game has colorful graphics, catchy music, and hilarious sound effects that capture the essence of the show. The game also has a lot of replay value, as you can play with different characters, stages, weapons, and modes. The game is easy to learn but hard to master, as you have to use strategy and timing to win. If you want to download Tom and Jerry in Fists of Furry for PC, you can visit this link:
